CURRENT INVOLVEMENT: Application of physiological and biochemical approaches to the understanding of the fundamental biology (mechanisms) of seed ageing using lipid peroxidation, protein oxidation, antioxidant and germination-associated enzymes and photosynthetic attributes as biomarkers of oxidative stress.

EDUCATIONAL BACKGROUND

Doctorate Degree (PhD) Biology

University of KwaZulu-Natal, Durban, South Africa

awaiting graduation

Master of Science (MSc) Botany

Obafemi Awolowo University, Ile-Ife, Nigeria

2015

B.Sc. (Hons) Plant Science

University of Ado-Ekiti, Ekiti State, Nigeria

2009

West African Senior School Certificate (WASSC)

Oke Osanyintolu Model High School, Ido-Ekiti, Ekiti State

2002

RESEARCH INTEREST: Plant stress physiology, oxidative metabolism, seed ageing and invigoration (priming), phytomedicine, bio-nanotechnology and bioremediation.

WORK EXPERIENCE

University of Kwazulu-Natal, South Africa

- Plant and animal ecophysiology practical demonstrator 2017 – 2020
- Angiosperm evolution and diversification practical demonstrator 2019 – 2020
- Evolution and Systematics practical demonstrator 2019
- Peer mentors team leader 2019
- Animal and plant biotechnology practical demonstrator 2018
- Advanced plant physiology practical demonstrator 2017

Independent National Electoral Commission (INEC)

- Assistant Presiding Officer I (Adhoc) 2015

West African Examinations Council (WAEC)

- Biology Examiner (Adhoc) 2013–2014

Obafemi Awolowo University, Ile-Ife

- Plant physiology practical classes demonstrator 2012–2014

Nova International Group of Schools, Ado-Ekiti

- Agricultural science and Biology teacher 2011
- Senior Secondary School II Class Teacher 2011

Independent National Electoral Commission (INEC)

- Registration Officer II (Adhoc) 2011

National Youth Service Corps (NYSC), Cross River State

- Biology teacher 2009–2010

Omnipotent Computer Institute, Ado-Ekiti

- ICT instructor 2009

SPECIAL ASSIGNMENT/COMMUNITY SERVICE

- Donation of textbooks to community school library
- Donation of writing materials secondary students
- Giving of cash prize (to the amount of school fees) to best student

COMMENDATION

National Youth Service Corps (NYSC) Project Commendation 2010

CONFERENCES ATTENDED

- University of Kwazulu-Natal Research Day Conference 2017
- University of Kwazulu-Natal Research Day Conference 2016
- Faculty of Science Annual International Conference, OAU 2014
- 21st Annual Conference of Botanical Society of Nigeria 2012

EXTRA CURRICULAR ACTIVITIES

- ❖ Reading and watching science documentaries

PERSONAL PROFILE:

- Good observation, teaching, assessment, analysis, interpretation and presentation skills
- Attentive listener, keenly desirous of learning for personal skills improvement
