

Curriculum Vitae for Victoria Ndinelago Erasmus

Home address: Erf 2276, Kovambo Nuyoma Street, Mondesa, Swakopmund, Namibia| P. O. Box 2741, Swakopmund| Cell Phone: +264813491616| Email: erasmus.victoria@yahoo.com

Personal details

Date of birth: 20 February 1986
Nationality: Namibian
ID No: 86022000057
Sex: Female
Language proficiency: Oshiwambo and English

Research interest

My current research interest is centred around investigating the effect of climate change and exploitation pressure on various biological aspects of fish. I also have an interest in seafood waste and food security. In my spare time, I write children's storybooks.

Educational background

1. Rhodes University, Grahamstown, South Africa
Ph.D. (Marine Science)
Period: 01/02/2016 – present

2. University of Namibia, Windhoek, Namibia
Master of Science
Period: 01/02/2013-31/03/2015
obtained April 2015

3. University of Namibia, Windhoek, Namibia
Post Graduate Diploma in Education
Period: 01/02/2009-31/12/2010
obtained May 2011

4. University of Namibia, Windhoek, Namibia
Bachelor of Science degree
Period: 01/02/2004-31/12/2007
obtained April 2008

Working experience

1. Position: Fisheries Biologist 01/10/2015- present
Ministry of Fisheries & Marine Resources, Swakopmund, Namibia
Main duties: Manage Port Sampling projects, data collection, data management and analysis, prepare reports and scientific publications, and train Fisheries Observers.

2. Position: Fisheries Research Technician 1/06/2011 -30/09/2015
Ministry of Fisheries & Marine Resources, Swakopmund, Namibia
Main duties: Carry out laboratory sampling, collect data during surveys and capture data on demersal species. Supervise and train technical staff under demersal sub-division

3. Position: Grade 10 – 12 English and life skill teacher

14/10/2010 - 27/05/2011

Onamutai Secondary School, Ongwediva constituency, Namibia

Main duties: Plan, prepare and present lessons to learners. Mark learners' activities and do administration work. Attend meetings, workshops and educational conferences.

4. Position: Grade 5-10 English and Agriculture teacher

14/01/2009 - 30/08/2010

Omahahi Combined School, Ohangwena region, Namibia

Main duties: Plan, prepare and present lessons to learners. Mark learners' activities and do administration work. Attend meetings, workshops and educational conference

Recent publications

1. Gabriel N.N, **Erasmus V.N.**, Namwoonde A. 2020. Effects of different fish sizes, temperatures and concentration levels of sodium bicarbonate on anaesthesia in Mozambique tilapia (*Oreochromis mossambicus*). Aquaculture.
2. **Erasmus V.N.** and Iitembu J.A. 2019. Characterising the trophic relationships between cuttlefishes, myctophids and round herring in the Northern Benguela. Welwitschia International Journal of Agricultural Sciences. 1: 59–67.
3. **Erasmus V.N.**, Iitembu J.A., Hamutenya S., and Gamatham J.C. 2019. Evidences of possible influences of methylmercury concentration on condition factor and maturation of Cape monkfish (*Lophius vomerinus*). Marine Pollution Bulletin. 146, 33-38.
4. **Erasmus V.N.**, Hamutenya S., Iitembu J.A and Gamatham J.C. 2018. Mercury concentrations in muscles and liver tissues of Cape monkfish (*Lophius vomerinus*) from the Northern Benguela. Namibia. Marine Pollution Bulletin 135, 1101–1106.
5. Jansen T., Kainge P, Singh L, Wilhelm M,... and **Erasmus, V.N.** 2015. Spawning Patterns of Shallow-Water Hake (*M. capensis*) and Deep-Water hake (*M. paradoxus*) in the Benguela Current Large Marine Ecosystem Shown by Gonadosomatic Index. Fisheries Research.

Additional qualifications and experiences

1. Attended the Bergen Summer Research School, 11-21 June 2018, on Global Development Challenges, Bergen, Norway.
2. Attended an ECOFISH - Stock Assessment Interpretation Course, 18 – 21 April 2017, DAFF, Cape Town, South Africa.
3. Attended a Summer School Ecology of Eastern Boundary Upwelling Systems, 25 April - 01 May 2016, Saint-Louis, Senegal.
4. Attended a Marine Geographical Information System training, September - 02 October 2015, Kenya Marine & Fisheries Research Institute (KMFRI), Mombasa, Kenya.
