What are your reasons for applying to be a Science Corps Fellow? (max. 200 words)

I like to teach. I am good at it.

In addition to your studies, describe any relevant experiences that have prepared you for a Science Corps fellowship (max. 200 words)

A load of volunteer work in Eastern Europe.

Where do you imagine yourself professionally in the future? Check all that apply.

Doing science in industry

Expand on your selection above and describe where you imagine yourself professionally in the near (2 year) and long-term (10 year) future (max. 200 words)

I have been around enough to know that if you make plans, it is barely worth the paper you write it out on.

How did you find out about Science Corps?

Other

If other, please specify.

Just finished a contract and started googling as to what I should do next.

Any extra comment or message.

I have an Philippine SRRV visa, so I can travel to PH easily. Anywhere else would require a visa.
