

Apply for a Science Corps Fellowship - Entry #660

Name
Wude Mihret Woldemedhin
Email
wude.mihret@ahri.gov.et
Gender
Female
City, state, and country of residence
Addis Ababa, Addis Ababa, Ethiopia
Nationality
Ethiopia
When did or will you finish your PhD?
I finished in July 2017
University Education
PhD in Biomedical Sciences MSc in Biology/parasitology BSc in Biology
What are your reasons for applying to be a Science Corps fellow?
I have a long years of teaching experience. I have been teaching Biology, Biomedical Science and I am interested in teaching. Currently I am involved in a research in biomedical science.
In addition to your studies, describe any relevant experiences that have prepared you for a Science Corps fellowship.
I have been trained with instructional design and curriculum development. I have as well developed instructors guideline, students manual and syllabus of molecular biology (which get accredited) in the research institute I am currently working at.
Where do you imagine yourself professionally in the future? Check all that apply.
In science education
Expand on your selection above and describe where you imagine yourself professionally in the near (two year) and long-term (ten year) future.

In my two years at Addis Ababa, Ethiopia and in the long term in USA and different parts of the world.

CV/Resume

How did you find out about Science Corps?

Other

Any other comments/questions?

My daughter Dr Wongelawit (MD) also want to apply and if possible want to move together with me if she get the chance. Could this be possible?
