

Apply for a Science Corps Fellowship - Entry #694

Name
Roselis Landaeta
Email
landaeta.aponte@gmail.com
Gender
Female
City, state, and country of residence
Upper Hutt, Wellington, New Zealand
Nationality
Venezuelan
When did or will you finish your PhD?
2021
University Education
Bachelor in Chemistry, Simon Bolivar University, 2010 PhD in Chemistry, Victoria University, 2021
What are your reasons for applying to be a Science Corps fellow?
I want to expand my experience teaching and engaging students in science.
In addition to your studies, describe any relevant experiences that have prepared you for a Science Corps fellowship.
While I was doing my undergrad I helped to prepare practical lab clases for other junior students and after my bachelor degree I worked as a Chemistry teacher for one semester.
Where do you imagine yourself professionally in the future? Check all that apply.
Academic scientist in academia In science education
Expand on your selection above and describe where you imagine yourself professionally in the near (two year) and long-term (ten year) future.
I see myself doing research, mentoring students and publishing papers in organic synthesis.
