

Curriculum Vitae

Roselis Landaeta
2/88 Ararino St.
Upper Hutt
Wellington
landaeta.aponte@gmail.com

Personal Statement

I moved from Venezuela to New Zealand with the aim to do a PhD in Chemistry which was completed in 2021. During my studies I have learned to be a resilient person who enjoys new challenges.

Personal Goals

I am looking forward to develop my career in a research laboratory in New Zealand.

Skills

- Chemical analysis of juice/wine samples
- Wet Chemistry
- Organic synthesis
- Schlenk Techniques
- Computer literacy
- Attention to detail

Recent Work History

- **Gisvin – Vintage Laboratory Technician (Feb 2022-Apr 2022)**
Monitoring the process of winemaking from intake to fermentation and finished wine, Setting up the lab, Calibrate the equipments and General housekeeping lab tasks and record keeping.
- **Ferrier Research Institute – Research Assistant (Oct 2020 – Apr 2021)**
Synthesis of organic compounds, HPLC, IR, NMR, Record keeping.

Education

- PhD in Chemistry – Victoria University of Wellington (Aug 2016 – May 2021)
- Bachelor in Chemistry – Simon Bolivar University (Sept 2003 – Jun 2010)
