

Apply for a Science Corps Fellowship - Entry #708

Name
Nassima Radouane
Email
nassima.radouane@univ-littoral.fr
Gender
Female
City, state, and country of residence
Rabat, Morocco
Nationality
Moroccan
When did or will you finish your PhD?
29/06/2022
University Education
Doctor Physics and materials science Dual Ph.D. in the University of the Littoral Opal Coast and the Mohammed V University 29/06/2021
What are your reasons for applying to be a Science Corps fellow?
I am very motivated to share my knowledge with others and pursuing a fellowship is something that I have wanted to do my whole life.
In addition to your studies, describe any relevant experiences that have prepared you for a Science Corps fellowship.
I have done courses of support in math, physics, and chemistry for college students, high school students, and BAC+2 level.
Where do you imagine yourself professionally in the future? Check all that apply.
Academic scientist in academia In science education
Expand on your selection above and describe where you imagine yourself professionally in the near (two year) and long-term (ten year) future.

Two year: Associate professor in physics

Ten year: Full professor in physics
