PhD UPM Malaysia Masters Azad university Qazvin,Iran Bachelores Buali sina University, Hamedan, Iran
What are your reasons for applying to be a Science Corps fellow?
I want to gather experience in academic and teaching in science corps locations.
In addition to your studies, describe any relevant experiences that have prepared you for a Science Corps fellowship.
I have experience in teaching at Tehran MFT institute, plus I have degree in teaching IELTS from London teachers training institute.
Where do you imagine yourself professionally in the future? Check all that apply.
Academic scientist in academia Administrative role in industry or academia In science education In science outreach As far as possible from science/education

Expand on your selection above and describe where you imagine yourself professionally in the near (two year) and long-term (ten year) future.

I will continue my research in computer engineering and AI and image processing and will expand my publication and reviews in reputable journals.
