

Apply for a Science Corps Fellowship - Entry #552

Name
Jonathan Pereira Miller
Email
jonathanmiller.malacology@gmail.com
Gender
Male
City, state, and country of residence
Madrid, Spain
Nationality
Spanish
When did or will you finish your PhD?
25/05/2021
University Education
PhD Biology. Phylogeny, taxonomy, and distribution of the family Hidrobiidae Madrid, Spain. May 2021. Autonomous University of Madrid, Spain
Master in Ecology Jul 2017. Autonomous University of Madrid, Spain
What are your reasons for applying to be a Science Corps fellow?
I would like to have a different experience, teaching, and also I'm very passionate about islands, it would be an important experience in understanding mollusk islands assemblages
In addition to your studies, describe any relevant experiences that have prepared you for a Science Corps fellowship.
I have lived before in Cuba.
Where do you imagine yourself professionally in the future? Check all that apply.
Academic scientist in academia In science education
Expand on your selection above and describe where you imagine yourself professionally in the near (two year) and long-term (ten year) future.

I wish I could find a good job teaching at University, or maybe in a research centre as a scientist.
