PERSONAL DETAILS

Date of Birth	30/07/1987
Gender	Male
Nationality	Sri Lankan

EDUCATION

PhD in Informatics, Malaysia University of Science & Technology, Malaysia (2016)

Research thesis entitled "Web-Based Digital Games for Effective Learning of Mathematics in Secondary Schools Curriculum".

Supervisor: Prof. Dr. Palaniappan Sellappan

MSc in Digital Visual Effects, University of Kent, UK (2011)

Effects Animation

Technical Direction

Visualisation

Video Composition

The final thesis concerned the modern techniques using in the film industry

BSc in IT, Middlesex University, UK (2009)

Human-Computer Interaction

New Media & Technology

Computer Project Management

Multimedia Applications (Design & Implementation)

Higher National Diploma in Multimedia, Kent Academy of Digital Science, Sri Lanka (2008)

Multimedia Principles

Multimedia Design & Authoring

Animation Techniques

Image Manipulation

Video Post-Production

RESEARCH EXPERIENCE

Low latency HD video streaming using H.265

We are finding the possibilities of playing HD video using average internet speed. The diversity of content types, including Video on Demand (VoDs), television (TV) program replays, and live streaming.

PhD Student 2013-2016

Completed doctoral research in the area of Educational Games.

- I have developed a proper game model and game mechanism.

- Research about the psychological factors for playing games

- Research about the possibility of using games as a teaching tool

With the help of my supervisor Prof. Dr Palaniappan Sellappan.

Postgraduate Student 2010-2011

I have completed the research modern techniques using in the film industry to post-production as well as to make visual effects.

**PROFESSIONAL
EXPERIENCE**

Deputy General Manager – IT (Contract), Independent Television Network, Sri Lanka.

07/2017 to 11/2018

Consulting and maintaining all the jobs related to Social Media Marketing, Web Designing and UI Designing, Monitoring & Maintain Network System and all the Servers including Play-out system, HR & Admin system, Archive systems and Security System.

Retoucher, Looklet (Pvt) Ltd, Colombo 2, Sri Lanka

05/2015 – 11/2015

Retouching garment items for Vent Prevee and Ideel.

Project Coordinator, Radical (Pvt) Ltd, Godagama, Sri Lanka

05/2013 – 05/2015

Coordinating projects such as Web-based Applications and Mobile Applications. UI Designing, all kinds of Graphic Designing, Video Editing, etc. Analysing the projects, coordinating both clients and team members etc.

**TEACHING
EXPERIENCE**

Visit Lecturer – NSBM Green University Town, Homagama, Sri Lanka

06/2021 – present

Delivered the following subjects: Game Design and Interaction Designing, Preparing Exams, Assignments and tutorials

Visit Lecturer - Faculty of Humanities & Social Science, Sri Jayawardenepura University, Gangodawaila, Sri Lanka

10/2020 – present

Delivered the following subjects: Game Design & Development
Preparing Exams, Assignments and tutorials

Senior Lecturer, Faculty of Technology, Sri Jayawardenapura University, Pitipana, Homagama, Sri Lanka

01/2019 – present

Delivered following subjects: 3D Modelling, Video Production Techniques, Graphic Design and Fundamentals of Multimedia Design
Preparing and Marking Exams, Assignments and tutorials, and Preparing the syllabus

Visiting Lecturer, Open University Sri Lanka, Nawala, Sri Lanka

04/2018 – present

Delivered the following subjects: Multimedia Technology, Preparing and Marking Exams, Assignments and tutorials, and Preparing the syllabus

Visiting Lecturer, Edulink International Campus, Colombo - 3, Sri Lanka

08/2018 – 05/2019

Delivered following subjects: Multimedia Technology & Media Technology

Visit Lecturer, NSBM Green University, Homagama, Sri Lanka

04/2017 – 04/2018

Delivered the following subject: Web Design technologies and Concepts

Visiting Lecturer, Sri Jayawardenapura University, Gangodawila, Sri Lanka

01/2012 – 11/2013

Delivered following subjects: Basic of Computing, Graphic Design & Information Technology

Temporary Lecturer, University of the Visual & Performing Arts, Colombo 7, Sri Lanka

03/2012 – 01/2013

Delivered the following subjects: Multimedia. Web Design, Graphic Design, and 3D Modelling & Animation

SKILLS

- Lecturing
- Researching in New Technologies related to IT and Learning Technologies
- UI/UX design
- Game Theory, Gamification and Game Design
- 3D Modelling and Animation
- E-Learning and Learning Technologies
- Instructional Design
- Project coordination & management
- Multimedia Design and implementation
- Web Technologies
- Colour Grading
- Creative Coding
- Video composition and post-production
- Visual Effects
- Graphic Design
- The ability to adapt to the rapidly changing landscape of digital media
- The ability to lecture on the topic of digital media history/theory
- Copywriting
