

Objective

Education

Central University of Karnataka

M.sc Lifescience - 89%

2021

Sri Sai Baba National Degree College Anantapur

B.sc (BZC) - 8.76

2019

Sri Chaitanya Girls Jr.College VIJAYAWADA

Inter Bi.pc - 92.3

2015

A.P.S.W.R SCHOOL KURUGUNTA ANANTAPUR

SSC - 9.0

2013

Language

English Telugu Hindi Kannada

Experience

Chegg

Expert Q and A

Skills

I have good experience in Doing Phylogenetic tree anlysis and analysing nucleotide sequences through miRNA softwares. I have good experience in writing python code. I have good experience in techniques like Isolating DNA ,Protein and also SDS PAGE electrophoresis I have good skill in Molecualr docking technique through Pyrx and Autodox Vina softwares. I have a good habit of collection of data and comparing with the other data

Eg:Collection of new plants and doing research on extinct and extant birds. I have good experience in teaching and solving questions

Projects

Sequence based miRNA393a Target Prediction in the Diverse Taxa of Plants: an In Silico Analysis

miRNA analysis help us to identify the nucleotide conserved sequences and and also miRNAS plays an important role in nutrient homeostasis ,diverse developmental processes.
