larsari.vahid@gmail.com

Gender

Male

City, state, and country of residence

czech Republic

Nationality

Iran

When did or will you finish your PhD?

Before September 2023

University Education

Charles University Prague Czech Republic

What are your reasons for applying to be a Science Corps fellow?

I know your center can satisfy my attempts. As I am so active in doing research, I am sure your center can help me improve research activities.

In addition to your studies, describe any relevant experiences that have prepared you for a Science Corps fellowship.

- Publication in articles
- Management workshop and conferences
- Teaching STEM

please see my CV

Where do you imagine yourself professionally in the future? Check all that apply.

Academic scientist in academia

Doing science in industry

Administrative role in industry or academia

In science education

In science outreach

As far as possible from science/education

Expand on your selection above and describe where you imagine yourself professionally in the near (two year) and long-term (ten year) future.

I need long term collaboration in research.
