University Education

University of Notre Dame and Università Cattolica del Sacro Cuore (Milan, Italy)

Major: Chemistry

Minor: Physic

What are your reasons for applying to be a Science Corps fellow?

I would like to pass on my enthusiasm for Chemistry, and Science to people. Moreover, after coming back to Italy I started work in a Company focused on the water sector, but I want to learn more and meet other people for growing my professional career

In addition to your studies, describe any relevant experiences that have prepared you for a Science Corps fellowship.

I am prepared to live in the US, I had a fellowship with the University of Notre Dame. I can manage the stressful situation that could come from when living in a foreign country. As well, during my period abroad I was a Teaching assistant, so I can organize the lesson and related materials and meet the class's needs.
