City, state, and country of residence

New Delhi

Nationality

Indian

When did or will you finish your PhD?

Want to get into PhD in 2025 spring batch

University Education

Msc.Chemistry in 2024 , University Of Delhi , Delhi , India.

What are your reasons for applying to be a Science Corps fellow?

I have recently completed my masters in chemistry and have a keen interest of research in chemistry. Therefore I want to apply for PhD in Chemistry.

In addition to your studies, describe any relevant experiences that have prepared you for a Science Corps fellowship.

I am currently working as a research trainee under the supervision of Dr.Snigdha Singh since June 2024 .I have hands on experience in research laboratory and skills to get into PhD.

Where do you imagine yourself professionally in the future? Check all that apply.

Academic scientist in academia

Expand on your selection above and describe where you imagine yourself professionally in the near (two year) and long-term (ten year) future.

I will be researching in a chemistry laboratory and synthesizing scaffolds which can be used in biomedical field fighting against diseases like cancer.
