

RAJESH RAJAN NAGARAJAN

Team Lead - Infectious Disease Division Molecular Microbiology

Phone

+917010289173

[✉drrajeshchamp18@gmail.com](mailto:drrajeshchamp18@gmail.com)

Professional Summary

- Team Leader- Molecular Microbiology Division -Infectious Diseases, leading the team of 50+ members among the four regional labs- Chennai, Bangalore, Pune, Hyderabad
- Co - Assited in Developing India's First - DICE Panel based Detection of Chronic Endometritis in infertility womens - Lifecell Diagnostics
- Expertise in Experimental pipetting - PCR Amplification, Column purification of PCR product, Agarose Gel electrophoresis - Automated and Manual Extraction of DNA & RNA prenatal screening samples, Genotype Identification, Quantitative determination of gene copy number and gene expression levels
- Technical Knowledge in Human and Microbial Genomics, Next Generation Sequencing - Illumina- Highthroughput Metagenomic C-DNA stranded/Non strander RNA library preparation and Ion Torrent, Illumina and Nanopore Sequencing
- TB-WGS, Respiratory panel, Viral Transplant panel, HPV , STD - HIV, Diagnosis and Reporting level
- Development of newer panels and testing parameters and organize people towards a successful lab diagnostics to commercial outcome.

Publication

N.Murugan, J. Malathi, Rajesh Rajan N Draft genome sequence of *Stenotrophomonas maltophilia* JMNMN1 isolated from a patient with urinary tract infection, Gene Reports, Volume 25, 2021,

EXPERIENCE

Lifecell International Pvt Ltd., (2020 to till date)
Team Lead - Molecular Microbiology

**Department of Molecular Neuroscience Laboratory,
School of Biological Science, Madurai Kamaraj
University, Tamil Nadu, - Research intern**

EDUCATION

2023* Pursuing Part-Time Ph.D., in Medical Biotechnology & Genomics
CARE, Chettinad Academy of Research and Education,
Chennai-603103, Tamil Nadu India.

2020 M. Sc. In Genomics

(School of Biological Sciences), Madurai Kamaraj University,
Madurai-625021, Tamil Nadu, India

Project Title : Role and expression pattern of hearing gene prestin (SLC26A5) among echolocating and non-echolocating bats

2018 B.Sc. In Biotechnology

Mary Matha College of Science, Theni, Tamil Nadu, India.

ACHIEVEMENTS AND AWARDS

Received "Proficiency Award" for university topper during my under graduation (2015-2018) at Madurai Kamaraj University.

Best Presentation For Cloud Computing - Advancements in Life Science Education in 51st Aqua-Terr and National Science day Celebrations- 2020, organized by Aqua-Terr society, School of Biological Sciences, Madurai Kamaraj University.

LANGUAGES KNOWN

English, Tamil, (French- Basic Level)

SKILLS & ABILITIES

-Protocol, Report & SOP Preparation to new validation parameter and publishing as per NABL, CAP, ISO - Guidelines

-Bacterial Genome analysis Spades, Annotation, RAST Alignment-Mauve, MLST, Pangenome Analysis, Identification Virulence Factor And Pathogenic Island).

-Bioinformatics-Sequence Retrieval and alignment, tRNA Prediction, Gene Prediction, Transcription Start Site Prediction for ChIP, Antigenic Site Prediction, Splice Site Prediction, Primer Designing, Protein Structure Modelling,

-Proficient in Google sheets and Documents.

-Familiar with Laboratory information Management systems
